## Forms Checklist 2010 - 2011

**Please use this checklist as a helpful reminder of all of the forms that must be completed and returned to us. If your child is beginning in September, forms are due back to us by August 1st. If your child is beginning over the summer, including our Morning Summer Program, forms are due back by June 7th.**

The information in these forms is crucial to our planning the year ahead, and we are required by law to have many of them on file for your child. Please let us know if you need assistance completing them. **If we do not receive the forms on time, we may need to arrange an alternate start date for your child.** We are unable to accept forms on the first day of school.
